RE: Freedom of Information Act Appeal No. HQ-APP-00115-
10; FOIA No. 08-FOI-00117-10

Dear Ms. Rosen:

This is in response to your Freedom of Information Act request dated January 20, 2010, regarding Silver Creek Tailings Documents. Enclosed you will find copies of some of the documents responsive to your original request which, subsequent to Eddie A. Sierra's March 30, 2010 letter to you, EPA was able to locate. Specifically, documents numbered 970004, 970075, 970083, 970084, 970087, 970088, 970090, 970091, 970092, and 970093 are copied on to the enclosed CD. The remaining documents requested in your Freedom of Information Act Appeal dated April 28, 2010, will be addressed in a subsequent letter.

If you have any further questions please contact Kathryn Hernandez at (303)312-6101 of my staff.

Sincerely,

A handwritten signature in black ink, appearing to read "Bill Murray".

Bill Murray, Director
Superfund Remedial Program

Enclosure #1: compact disk containing the above referenced documents.

Document.pdf

I don't have the original that I emailed to you both available for comparison, but it looks like it. Thanks, Kathy!

Thanks for using document scanning to email instead of fax to save time and phone charges.

*You may adjust the document's PDF properties, size and resolution on the touch screen panel or by editing the document with the Professional version of Adobe Acrobat.

*You may scan in color and print the document in color from your computer workstation.

*Please call the TECH Center at 312-6886 if you have any questions.
